**Compounding and Crediting:** Dividends will be compounded and credited monthly. The dividend period for all accounts is monthly beginning on the first calendar day of the month and ending on the last calendar day of the month. APY = Annual Percentage Yield.

**Balance Information:** To open any account, you must deposit or already have on deposit the minimum required share(s) in a Share Savings account. The minimum balance required to open or maintain each account is set forth above. The minimum monthly balance required to earn dividends and/or avoid a service fee is set forth above. The

Average Daily Balance method used to calculate dividends adds the full amount of principal in the account each day of the period, divides that figure by the number of days in the period, and applies a periodic rate to the result.
