Your TruWest® Credit Union Visa® Card Supplemental Visa Agreement & Disclosure

Platinum Points Visa Cards - Effective 4/13/2020

For questions about your [balance](#), call the customer service number on your Visa statement.

1. BALANCES ON WHICH FINANCE CHARGES (INTEREST) ARE COMPUTED:

Principal balances of Purchases, Cash Advances and Balance Transfers are determined each day during the statement period, beginning with the principal portion of your Previous Balances, reduced by payments you make and credits we apply during the statement period, and increased by Purchases, Cash Advances and Balance Transfers you make, and debit adjustments we make during the statement period. The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases, cash advances and balance transfers, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. All Automated Teller Machine (ATM) transactions, Credit Card Checks, Overdraft Protection Advances and Cash Advances with the Card(s) (however made, including online) are considered Cash Advances.

2. CASH ADVANCES:

Cash Advances on the account that do not exceed the account's Cash Limit may be obtained by the Cardholder. We will advise you of your cash advance limit in writing and it will become part of this agreement by reference. FINANCE CHARGES will accrue on all Cash Advances from the date the advance is made on the Cardholder's account until the Cash Advance is paid in full.

3. BALANCE TRANSFERS:

Balance Transfers on the account that do not exceed the account's Credit Limit may be obtained by the Cardholder. We will advise you of your credit limit in writing and it will become part of this agreement by reference. FINANCE CHARGES will accrue on all Balance Transfers from the date the transfer is made on the Cardholder's account until the Transfer is paid in full.

4. VARIABLE RATE CALCULATION:

Purchase Rate

We calculate your variable purchase rate by adding between 4.65% and 11.65% ("margin") to the Prime rate published in the "Money Rates" section of The Wall Street Journal ("Index") on the first day of January, April, July and October. If the Journal is not published on that day, then see the immediately preceding edition. If Prime changes, your new rate will take effect on the first day of February, May, August and November.

Cash Advance Rate

We calculate your variable cash advance rate by adding between 12.65% and 14.75% ("margin") to the Prime rate published in the "Money Rates" section of The Wall Street Journal ("Index") on the first day of January, April, July and October. If the Journal is not published on that day, then see the immediately preceding edition. If Prime changes, your new rate will take effect on the first day of February, May, August and November.

Balance Transfer Rate

We calculate your variable balance transfer rate by adding between 4.65% and 11.65% ("margin") to the Prime rate published in the "Money Rates" section of The Wall Street Journal ("Index") on the first day of January, April, July and October. If the Journal is not published on that day, then see the immediately preceding edition. If Prime changes, your new rate will take effect on the first day of February, May, August and November.

5. FINANCE CHARGES:

The FINANCE CHARGE is the amount of money that you pay for the money you borrow. You can avoid FINANCE CHARGES (interest) on your New Purchases balance by paying the entire account balance (shown as the Total New Balance) by the Account Statement's "Payment Due" date. FINANCE CHARGES on New Purchase and Balance Transfer balances are calculated at the periodic rate between 0.65833% and 1.24167%, which corresponds to an ANNUAL PERCENTAGE RATE between 7.90% and 14.90%. FINANCE CHARGES on the average daily balances of Cash Advances are calculated at the periodic rate between 1.32500% and 1.5000% per month, which corresponds to an ANNUAL PERCENTAGE RATE between 15.90% and 18.00%.

6. MONTHLY PAYMENT:

We will mail you a statement each month when transactions or an owing balance appears on your account. The statement will show your Previous Balances of Purchases, the current transactions on your account, the remaining credit available under your Credit Line, the

New Balance of purchases, the Total New Balance, the FINANCE CHARGES due date, any other billed fees, and the Minimum Payment required. If you signed up to receive your statements electronically (e-statement), we will send you an electronic notification when your statement is ready for you to view. You must pay at least the Minimum Payment required by the Payment Due Date noted on your statement. The Minimum Payment will be either (a) 2.5% of your Total New Balance, or \$25, whichever is greater, or (b) your Total New Balance, if it is less than \$25 plus (c) any portion of the Minimum Payment(s) shown on prior statement(s) which remains unpaid. At any time your Total New Balance exceeds your Credit Limit, you must immediately pay the excess upon our demand. You may pay more frequently, pay more than the Minimum Payment or pay the Total New Balance in full before the "Payment Due" date. You will avoid FINANCE CHARGES on New Purchases if you pay the Total New Balance in full before the "Payment Due" date. All mailed payments must be made by check or money order. You agree that any payment you make may be returned to you without applying it to your Account and without presentment or protest, for any reason, including if the check or money order is (1) not drawn on the U.S. Post Office or a financial institution located in the United States; (2) missing a signature; (3) restrictively endorsed; (4) post dated; (5) not payable to TruWest Credit Union; (6) not drawn in U.S. dollars on funds on deposit in the U.S.; or (7) not paid upon presentment. You agree to pay any bank or financial institution collection fees we incur for any check payments made in U.S. Dollars drawn on a financial institution not located in the United States. All payments under this Agreement must be received at the address specified on your billing statement. Disputed payments, including those marked "Payment in Full" or otherwise restrictively endorsed must be mailed to TruWest Credit Union, PO Box 78637, Phoenix, AZ 85062-8637.

7. HOW WE ALLOCATE YOUR PAYMENTS:

For minimum periodic payments, the payment will be allocated first to the balance with the lowest APR. For payments in excess of the required minimum periodic payment, the excess payment amount will be allocated first to the balance with the highest APR and any remaining portion to the other balances in descending order based on the applicable annual percentage rate. This will result in balances with higher APRs (such as cash advances) being paid before any other existing balances.

8. FEES:

ANNUAL FEES: NONE

CREDIT CARD CHECKS: NONE

TRANSACTION FEE: NONE

OVER LIMIT FEE: NONE

BALANCE TRANSFER FEE:

3% of each balance transfer

CASH ADVANCE FEE:

4% of the amount of each cash advance

10. TRUREWARDS POINT PROGRAM:

Every dollar of your net purchases on your account will earn one reward point. Points begin to accumulate with purchases made on the first day of use. Credit card

checks, balance transfers, and cash advances are not part of the TruRewards program. Points can be redeemed for gift cards, travel discounts, cash back, and merchandise. For more information please call 888-995-1271. Point requirements are subject to change from time to time and gift cards, travel discounts, cash back, and merchandise may be substituted at any time. Unused points, older than 48 months from the date they were issued, will expire annually on December 31. Accounts must be open and current at the time of any reward redemption. Contact 888-995-1271 or visit the TruRewards web site for a full listing of program rules.

11. OVERDRAFT PROTECTION USING YOUR TRUWEST CREDIT CARD:

Cardholders can select their TruWest credit card as an option for Overdraft Protection. By selecting your credit card as an Overdraft Protection option, the Credit Union will automatically transfer from your TruWest credit card account the exact amount needed, plus a \$2 service charge. Transfers will not be made if your credit card account is over limit or contractually past due. A finance charge will be assessed on the same basis as any other credit card Cash Advance in accordance with the credit card agreement. You authorize us to make an Overdraft Protection advance from your card as provided in this agreement. We may cancel Overdraft Protection in our discretion, even if the card remains open for other purposes. We may also change the terms and conditions or eligibility of participating at any time.

12. SKIP PAY OPTION:

Eligible cardholders may have the ability to skip a credit card payment. To qualify for a skip payment:

- the Credit Card account must be opened for at least six months with a payment made each month;
- Savings or spending account must have enough funds to cover any applicable fees;
- Your Credit Card may not be past due, have any unpaid fees, or in default; and
- One Skip Payment is allowed per credit card per rolling calendar year (12 months).

When you take advantage of the Skip Pay Option, the interest will continue to accrue on the entire unpaid balance of your Card.

The Skip Pay option is further subject to the Skip Pay Program terms and conditions, which are incorporated herein and as amended from time to time. We may cancel, restrict, amend, or modify the skip pay option or program at any time.

13. MILITARY LENDING ACT NOTICE:

Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).
